Deal Structure

Thank you for coming by the office today and last week Thursday. We greatly appreciate the viewpoints you bring to the table, the innovative approach of bringing the entities together, and identifying the Nasdaq shell.

NDA

As we move forward, please sign the NDA as Eric keeps track of our arrangements, partnerships and relationships.

Also, can you request for the parties we engage with during the 4pm call to sign and copy and ensure Eric receives.

4pm call with Nasdaq Shell

Will you be forwarding the call details or owners of the shell firm?
Invites will consist of the 4 of us plus Kevin, (we'll forward)

Thanks in Advance,
